Department of
Computer Science
Jamia Millia Islamia
(A Central University)

PLACEMENT
BROCHURE
2017-2018

MCA
Master of
Computer Application

VICE CHANCELLOR'S MESSAGE

PROFFESSOR TALAT AHMAD
HONORABLE VICE CHANCELLOR

Initially university was established basically to impart knowledge for human being to develop human society with wisdom. However, with the advent of professional courses that too in the era of ICT/Internet, the role of universities has changed substantially. Now Universities have to fulfil their commitment in the fast changing environment of ICT era of present millennium. Therefore, Placement Record and Placement prospects became all the more important parameter for the success of Universities and its Departments, which needs to **strengthen dynamically.**

I am glad to know that Department of Computer Science has been conscious and sensitive in these matters. It has not only restructured its courses thoroughly to incorporate latest and the best rather appointed a Placement Committee lead by a Professor rank to improve placement prospects for the current and the forthcoming batches.

I am also happy to know with the dynamic leadership at the helm of affairs who himself involve directly in the placement related activates. Moreover, the university level placement team led by Dr. Rihan Khan Suri is also striving hard the same goal. Therefore I have no hesitation to state that it will bring marvellous results for the benefits of our professional students of the Department of Computer Science, viz., M.C.A, M.Sc Bioinformatics and PGDCA.

I invite all the concerned industries to visit and help us strengthen our campus placement efforts by selecting our students as professionals thereby giving them opportunities to contribute positively towards their industrial goal and at the same time allow grow themselves to grow as well.

I wish them success in their future endeavours.

PROFESSOR SHARIF AHMAD
DEAN
FACULTY OF NATURAL SCIENCES

The era of globalization, coupled with the advent of information technology(IT) and impetus of Internet, has brought up sea changes in the corporate governance and thinking process of human mind, especially in this current millennium. I am pleased to note that the Department of Computer Science under the faculty of Natural Sciences is producing quality professionals in the field of IT. In addition to a 3 years' post-graduate program, Master of Computer Application (M.C.A.), the department is successfully running a PGDCA and post graduate professional degree courses M.Sc. (Bioinformatics) through a well-designed Fundamental industry oriented curriculum.

I am sure that dedication and commitment of the students through their studies in these courses would contribute to national development by placing themselves in the industries and educational institutions. I am confident that students will also be marked out by international agencies. The mission of producing able and competent IT and Bioinformatics professionals in the department is being achieved due to the involvement of highly dedicated and experienced faculty members. I hope they will continue to produce worthy professionals to fulfil the industrial and educational neeData Structures of the nation.

With this objective I certainly would like to invite all esteemed and relevant organizations and companies to conscript our students as competent and professionals that would eventually enable them to stand out in industry/organization/institutions and on global scale at large.

PROFESSOR
S.A.M. RIZVI

HEAD
DEPARTMENT OF COMPUTER SCIENCE

The Indian Economy is being considered as one of the fastest growing and emerging economies in recent times. The major reason behind the same is its strength in human resources. Being the second most populated country in the world, India can gain greater development if it handles its human resources appropriately both by government as well as individuals and institutions. And one such measure is the provision of qualitative education of highest standard from any measurable angle.

Qualitative higher and technical education holds an edge in transforming human beings into human capital and human resource. Institutions of higher learning such Central University Jamia Millia Islamia is committed to the task of reducing/bridging this gap.

In this endeavor, Department of computer Science of Jamia Millia Islamia has enriched its programmes through complete rehauling of course structure, syllabus updated with contemporary requirements of the universities, institutions and industry. We have a strong placement team with experienced senior professor heading, to guide the talented and enthusiast youth by providing direction in order to attain right placements which smoothens life's journey for self and future generations.

The department boasts of availability of the state of the art infrastructure as well as highly motivated and qualified faculty members and staff to guide the youth, which in turn has also been reflected in the overall performance of the students.

I, personally, take pleasure in inviting industries to take the opportunity of availing the best of the brains for individual as well corporate and, thereby, being a part of national development.

PROFESSOR REHAN KHAN SURI
UNIVERSITY PLACEMENT COORDINATOR

The Indian Economy continues to record appreciable growth in all the sectors, resulting in tremendous demand for skilled personnel. In addition to the traditional avenues of employment in public and private sectors, there is now an increasing demand from the growing corporate sector for well trained and skilled human personnel. Jamia Millia Islamia has always harnessed and developed the intrinsic talent and potential of all its students. Besides our commitment to academic excellence, it also provides ample opportunities to students to excel in **field** of sports and extra-curricular activities. Students are academically competent with a wide vision of life and an inquisitive mind which helps them explore new frontiers of knowledge.

It is indeed a matter of great pride to invite you to participate in our campus recruitment process. Since its inception, Jamia Millia Islamia has always been conscious of its responsibility to the nation. With its stringent selection procedure, it selects the best students from all over India. Three years of rigorous course curriculum and numerous extra-curricular activities shape the personality of our students and what we get after this span of time at the university are intelligent, sensitive human beings aware of both their responsibilities and right.

DR. SURAIYA JABIN
PLACEMENT COORDINATOR

The Placement Committee of the Department has been playing an active role in shaping the career of the students by bridging the gaps between industry requirement and student's career. Our past records are extremely good but the best is yet to come.

The Programmes / Courses run by our Department are job-oriented which not only impart higher knowledge but also makes one competitive at the global level. As India is already one of the leading expertise of skilled manpower in software industry, our Department adds one more feather in this cap. In order to keep abreast with the latest development in IT and Bio-informatics the Department organizes workshops and extension lectures to boost the knowledge as well as the moral of the students. Here the students are given independent projects to work upon in order to explore their skills, abilities and also acts as a tool for self judgment.

Joint smooth programme is made with the Central TPO of the University and Placement Committee of the Department. The Department also organizes motivational lectures for students on placement from time to time. This gives the student the idea and clues as to how to face an interview and other selection tests in the Corporate Sector by which we can produce better results.

The alumni of this Department are effectively contributing in the long run in some of the following industries: HCL Technology, Accenture, Acmet, Britannica.com India Pvt. Ltd., CBT, CDRI (Lucknow), CDoT, CMC, CSC, DCM Data Systems, DOE, DRDO, Grape City, HCL PerotHughes Networks System, Hughes Software System, IBM, Impetus, Maruti Udyog Limited, MBT, Mind Fire, Newgen, NIC (National Informatics Centre), NII (National Immunology Institute, Lucknow), NIIT Technologies, Polaris, Quark Media Limited, Ranbaxy Research Laboratory, R-System, Sapient Technologies, SSI, STPI, TCS, Techno Concept.

The Placement Programme of the Department normally starts with the visits of industries just after the end of even semester examination. I welcome you to participate in our Campus Visit Programme. The placement brochure contains student profile and related details including Placement Response Sheet at the end. I request you to kindly use Response Sheet and let us know your plan to visit our Department (DCS).

Looking forward to a fruitful association.

Jamia Millia Islamia, established in 1920, is a prestigious Central University, located in New Delhi and recently accredited by NAAC under category A. It is an autonomous institution established by an actof Parliament and Hon'ble President of India as its visitor. Being the embodiment of visionaries like Mahatma Gandhi, Moulana Mohammad Ali Jauhar and Dr. Zakir Hussain. This national institute epitomizes synthesis of ancient wisdom and modern scientific temper. The model of education conceived and enriched by its illustrious founder offers refreshingperspective to young minds and facilitates the accomplishments of their talents.

The national ethos of Jamia Millia Islamia is reflected in its richly diverse students and teaching community transcending regional, lingual, religious, and even national boundaries.

Jamia Millia Islamia has already played an important role during the Common Wealth Games and TOYOTA University Cricket Championshipheld in October 2010 and 2013, respectively.

It has a state-of-the-art Sport Complex, Central Library, IT Center, Auditorium, Men and Women hostels, to host and support variety of activities needed for a vibrant university. Jamia Millia Islamia is one of the most renowned universities of the country.

The Nobel Laureate 'Rabindranath Tagore' once regarded Jamia Millia Islamia as "One of the most progressive educational institutions of India".

ABOUT JAMIA MILLIA ISLAMIA

CENTRAL LIBRARY

The students of JMI have full-fledged access to a rich collection of over 3.28 Lacs books and bound volumes of periodicals, about 2500 manuscripts, 200 microfilms, and subscriptions to 440 journals in all major disciplines, the Central Library caters to the academic needs of the University students, staff & research scholars. The collection consists of books, periodicals, pamphlets, manuscripts, photographs & Electronic Resources. The library has fully computerized its most actively used collection, which is now available to users through OPAC (Online Public Access Catalogue) with network access across the campus-wide LAN.

M. A. ANSARI AUDITORIUM

The Ansari Auditorium is Jamia's one-stop destination for all-cultural activities. With a seating capacity of more than 500, the Ansari Auditorium has played host to a myriad of lecturesby eminent speakers, annual fests,Theatrical performances and film festivals.

CAFETERIAS AND FACILITIES

With a number of cafeterias on the campus, students have multiple options to choose from. The cafeterias provide hygienic food atvery reasonable rates. Needless to say, they are popular hangouts for the students and serve as a platform for interaction among students from different disciplines.

SPORTS AND HEALTH FACILITIES

Jamia Millia Islamia is known for promoting sports and games among the student youth. Jamia offers sports facilities in games such as Badminton, Cricket, Football, Hockey, Basket-ball, Table-tennis, Boxing, Handball, Athletics and Shooting etc. Jamia offers special concessions and relaxation in admissions to outstanding sports persons. The Jamia Sports Complex is the centre for all sports activities. World class sports facilities and equipment are provided to the students here. The university boasts of the Bhopal Cricket Ground that has been the centre stage for events like the Women's Cricket World Cup and has produced stalwarts like Bishen Singh Bedi and Virender Sehwag.

HOSTEL FACILITIES

The university has 7 hostels for boys and 4 hostels for girls. The hostel rooms are fully furnished. The hostels provide facilities such as 24 hour internet facility, Library-cum-Reading Room, Common Room, Recreation Room,playground, RO Purifiers, Dining Hall, 24 hour Power Backup, Telephone facilities, etc.

M.A. ANSARI HEALTH CENTRE

M.A. Ansari Health Centre deals with health problems of all the bonafide students of JMI, working staff including contractual workers and their dependents and all the retired employees without any charge.

DEPARTMENT OF COMPUTER SCIENCE

Department of Computer Science is one of the youngest departments of Faculty of Natural Sciences of Jamia MilliaIslamia. It was established in 1999 with a vision to train and develop highly skilled human resource in the field of Computer Science and Bioinformatics and to conduct core and applied research in the thrust areas of Co'mputer Science. The mission is to develop linkage with industries and world class organization to strengthen industry-academia relationships for mutual benefit and self-reliance of the nation.

Department offers three postgraduate programmes including two regular programmes MCA and PGDCA and a self-financed evening programme MSc (Bioinformatics). The department also offers Doctor of Philosophy (PhD) programme aimed at producing quality researchers in several diverse branches of Computer Science.

Department with the current faculty strength of a Professor, two Associate Professor and ten Assistant Professors sufficiently cater to its requisite teaching and research requirements. Moreover, in order to cater to its requirements of interdisciplinary courses, guest teachers from institutions of repute like IIT Delhi, JNU and AIIMS are regularly invited.

Master of Computer Applications (MCA) is a 3Years (6 Semesters) academic programme of professional nature. The objective of this programme is to fulfill the immense requirements of computer applications. The programme is envisaged to equip the candidates with a strong conceptual background in Computer Science and Applications to solve the challenging industrial problems.

This programme comprises of courses in different areas of Computer Science, Computer Applications, Business Systems and Mathematics. The rigorous exposures in this areas is aimed additionally at equipping the students with strong analytical and technical skill to work competently in diverse areas including software related developments, teaching and research.

MCA ADMISSION PROCEDURE

COURSE NAME:	MCA (Master of Computer Applications)
NATURE:	Regular, Full Time (Credit Based Semester System)
DURATION:	6 Semesters (spread over 3 Years)
ELIGIBILITY CRITERIA:	Bachelor Degree (Under 10+2+3 with 50% marks in aggregate and Mathematics in 10+2 level)
MODE OF ADMISSION:	Written Test Only

COMPUTING FACILITIES

The department has a LAN using 1 Gpbs leased line connectivity which connects all labs, seminar room and offices to provide modern teaching and learning environment. The whole setup has access to university's LAN. The LAN caters to many important computing needs of the department such as compilers of the most important languages – RDBMS (Oracle, SQL Server), internet and communication facility. Apart from these, the department also has a Bioinformatics Infrastructure Facility (BIF), which is funded by the department of Bio-technology, Ministry of Science and Technology, Govt. of India.

Computing Labs
The department has two modern computer labs with 42 i7/i3/Core 2 Duo E8400 PCs in each lab.

Software
Visual Studio Professional 2008/2010, Oracle 10g, Turbo C++, JDK, Gold Suite, Windows NT, Windows XP/7/8, Windows Server 2003, Windows Server 2012, Red Hat Linux, Acrobat Reader and Writer, Macromedia Adobe Director 11.5, MATLAB and MS OFFICE Professional 2007/2010.

Servers
IBM X3650 M4

Printers & Scanner
HP Color Laserjet 3600, HP Color Laserjet 2550n, HP Color Laserjet 1025, HP Office jet 3050, HP Laserjet 1005 series, HP Laserjet 1020.

Research Labs
A separate fully networked lab for research scholars with 20 i7/i3 PCs and one server.

MCA Curriculum

Sem	Code	Paper Title
I	CSC611	System Analysis and Design
	CSC612	Digital Logic and Computer Design
	CSC613	Mathematical Foundation of Computer Science
	CSC614	Applied Graph Theory
	CSS611	Programming and Problem Solving using C (+ LAB)
	CBCS61	Computer Fundamentals
II	CSC621	Computer System Architecture
	CSC622	Data Structures (+ LAB)
	CSC623	Operating System
	CSC624	Theory of Computation
	CSS621	Object Oriented Programming using C++ (+ LAB)
	CBCS62	Website Design and Management (+ LAB)
III	CBCS31	Advance Problem Solving using JAVA (+ LAB)
	CBSE32	DBMS with Oracle Based Programming (+ LAB)
	CSCC33	Software Engineering with Minor Project (Definition and Design phase)
	CSCC34	Analysis and Design of Algorithm
	CSCC35	Computer Network and System Administration (+ LAB)
	CSCC36	Scientific and Statistical Techniques using FORTRAN (+ LAB)
IV	CBCS41	Web Based Development Using J2EE (+ LAB)
	CSAE42	Artificial Intelligence and Prolog Programming (+ LAB)
	CSCC43	Software Project Management with Minor Project [Implementation & Testing]
	CSCC44	Big Data Analytics and Cloud Computing (+ LAB)
	CSCC45	Leadership, Interpersonal and Group Dynamics
	CSCC46.11	Advance Database Management System (Elective-I)
	CSCC46.12	Information Security (Elective-I)
	CSCC46.13	Cryptography (Elective-I)
V	CBCS51	Digital Image Processing and GPU Programming (+ LAB)
	CSAE52	Data Mining and Data Warehousing (+ LAB)
	CSCC53	Machine Learning and Soft Computing (+ LAB)
	CSCC54	Pattern Matching using Python Programming (+ LAB)
	CSEC55.1	Compiler Design (Elective-II)
	CSEC55.21	PERL (Elective-II)
	CSEC56.14	Internet Marketing and E-Commerce (Elective-III)
	CSEC56.20	IT Act and Cyber Security Law (Elective-III)
VI	CSPJ61	Industrial Project

Masters of Computer Applictions
2015-2018

Dr. Syed Afzal Murtaza Rizvi
Professor & Head of the Department

Years of Experience : 30+ Years

PhDs Awarded :16   PhDs in progress : 6

Area of Specialization : SE, Automation, Algorithms and Bioinformatics.

Dr. Khurram Mustafa
Professor

Years of Experience : 19 Years

PhDs Awarded :4   PhDs in progress : 6

Area of Specialization : Data Mining, Web Surveillance, Social Networking, and Data Analytics.

Dr. Muhammad Abulaish
Professor (on leave)

Years of Experience : 20 Years

Area of Specialization : Data Analytic, Web Intelligence, Security Informatics, and Digital Forensics.

Dr. S.M.K. Quadri
Professor

Years of Experience : 28 Years

PhDs Awarded :11   PhDs in progress : 6

Area of Specialization : Software Reliability Engineering, Software Testing, and Software Engineering.

Dr. Monica Mehrotra
Associate Professor

Years of Experience : 22 Years

PhDs Awarded : 5   PhDs in progress : 5

Area of Specialization: Data Mining, Social Network Analysis, and Information Retrieval.

Dr. Rafat Parveen
Assistant Professor
Years of Experience : 17 Years
PhDs Awarded : 5   PhDs in progress : 5
Area of Specialization : BioInformatics-System Biology,
Computational Biology, Computer Networks.

Dr. Sayed Zeeshan Hussain
Assistant Professor
Years of Experience : 16 Years
PhDs Awarded : 4   PhDs in progress : 3
Area of Specialization : Computer Networks and Security.

Dr. Mohd Nazir
Assistant Professor
Years of Experience : 15 Years
PhDs in progress : 3
Area of Specialization : Software Enginering, Software Security,
Software Quality Assurance.

Dr. Rajendra Kumar
Assistant Professor
Years of Experience : 15 Years
PhDs in progress : 3
Area of Specialization : Information Security, Network Security,
Webapp Security, Data Analytic.

Dr. Mansaf Alam
Assistant Professor
Years of Experience : 13 Years
PhDs Awarded : 3   PhDs in progress : 4
Area of Specialization: Big Data Analytics & Cloud Computing.

FACULTY PROFILE

Dr. Jahiruddin
Assistant Professor

Years of Experience : 13 Years

PhDs in progress : 2

Area of Specialization : Text Mining, Social Network Analysis.

Dr. Suraiya jabin
Assistant Professor

Years of Experience : 14 Years

PhDs submitted : 1   PhDs in progress : 4

Area of Specialization : Artificial Intelligence, Soft Computing, Computational Biology, Pattern Recognition.

Mr. Taran Singh Bharti
Assistant Professor

Years of Experience : 8 Years

Area of Specialization : Security, Algorithms, Database, Theory of Computation, Distributed Computing and Communication.

Dr. Khalid Raza
Assistant Professor

Years of Experience : 7 Years

PhDs in progress : 4

Area of Specialization : Soft Computing Technique, Computational Biology, Machine Learning.

Dr. Israr Ahmad
Programmer

Years of Experience : 26 Years

Area of Specialization : Text Mining, Optimization techniques.

Non Teaching Staff

Mr. Hasan Kidwai

Mr. Abdul Aziz

Mr. Sarwan Kumar Yadav

Mr. Ziaullah Sidiqui

Mr. Mohd Ishak

Mr. Abdul Latif

Department of Computer Science Proudly presented the bigger, bolder and better version of their Annual Techno-cultural fest *Teknothon 2017.*

More than 20 events were hosted including Game of Codes, LAN-Gaming, Bug Villa, Cryptaction. Feel the beat-Dance, Sargam-Singing, War of words-Debate, Gully Cricket and many more.

STUDENT'S PROFILE

Abid Raza
B.Sc.(hons)

C, C++, Java, DBMS, HTML, CSS, PHP, JavaScript, Hive, Prolog, Fortran, J2EE, Data Structures, Algorithms, Python, MATLAB.

abidraza1994@gmail.com
